

MICROBUILT

3 STEPS TO WORKING WITH US.

1

CHOOSE A DESIGN

Browse our curated range of floor plans and layouts available on our website. Pick the style that best fits your lifestyle and space needs.

Can't find what you're looking for? Let us know — we're happy to help customise.

2

FILL OUT OUR FORM

This helps us get to know you better — your space requirements, preferences, timeframe and any initial thoughts.

Not sure about something? That's perfectly fine — just leave it blank or tell us more during our meeting.

3

BOOK YOUR MEETING WITH US

Once you've completed the form, email it to microbuiltoffice@gmail.com and call us on 0430 009 121 to arrange a time to meet.

We'll discuss your ideas, needs and goals in more detail, and recommend a design that suits you best.

Do you have ideas about your Fuscade (cladding & colours)? If not, we can help.

Is the block easy to access? Is there anything we need to know?

Do you have any photos or videos of your block and the access area?

Are there any non-negotiables or 'must haves' in your build?

Do you already own your block or are you in the process of purchasing?

Do you have any sketches or approved plans?

Have you got finance or pre-approval to build?

Where to from here?

Email your completed form to:

 microbuiltoffice@gmail.com

We'll review your responses and get in touch

Once we've received your form, we'll be in contact within 1–2 business days to book a time that suits you for an initial meeting or call.

Let's chat!

This meeting is where we walk through your ideas, budget, timelines, and any questions you have about the build process or our home designs.

From there, we'll prepare a tailored next step

Whether it's a quote, a site visit, or customising one of our ready-made plans — we'll help you take the next step with confidence.
